# Introduction

This booklet provides a list of Astiva Health’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review Astiva Health’s Evidence of Coverage and formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Astiva Health, only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy, to fill your prescriptions. You can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 00/00/2020. For the most current list, please contact us. Our contact information appears on page 1 and the back cover.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Orange and San Diego County which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network, not listed in this directory, please contact our Astiva Health Member Services.

The following is a directory of Astiva Health Network pharmacies. The pharmacies are grouped by type of pharmacy. Under each pharmacy type is an alphabetical listing by county of Astiva Health network pharmacies.
